ORDINANCE NO. AFPD 007

AN ORDINANCE ESTABLISHING A FEE SCHEDULE FOR PLAN REVIEW, INSPECTIONS AND PROVIDING REPORTS WITH THE
AMADOR FIRE PROTECTION DISTRICT

The Board of Directors of the Amador Fire Protection District ordains as follows:

WHEREAS, Amador Fire Protection District Ordinance No. 002, An Ordinance Establishing a Fee Schedule for Plan Review, Inspections, and Providing Reports with the Amador Fire Protection District, is hereby repealed in its entirety.

WHEREAS, budgetary consideration has required that a charge be made to defray the District’s cost of performing plan review and inspection functions related to new development, tenant improvement and alteration projects, fire code compliant inspections, and the cost of providing reports prepared by the District.

WHEREAS, California Health and Safety Code Section 13916, Section 13917, Section 13918, Section 13919 together with California Government Code Section 6103.7 authorizes the District to adopt a fee schedule to defray the cost of providing this service to the general public; and

WHEREAS, the review of construction plans and specifications by the District and their subsequent inspection to assure that fire safety equipment and design criteria have been installed and are continued in working order protects the health and safety of the general public and preserves life and property.

NOW THEREFORE THE BOARD OF DIRECTORS OF THE AMADOR FIRE PROTECTION DISTRICT DOES ORDAIN TO ESTABLISH A FEE SCHEDULE AS FOLLOWS:

Report on the Cost of Services
(User Fee) Study

AMADOR FIRE PROTECTION DISTRICT, CALIFORNIA

matrix consulting group

June 2019
1. Introduction and Executive Summary

The report, which follows, presents the results of the Cost of Services (User Fee) Study conducted by the Matrix Consulting Group for Amador Fire Protection District.

1.1 PROJECT BACKGROUND AND SCOPE OF WORK

The Amador Fire Protection District was created in 1990 and provides emergency fire, rescue, and medical aid services in the unincorporated area of Amador County. The primary fee related services for the District are for plan review and inspection of development-related projects. The District last updated their fee schedule in 2015; however, a comprehensive study has not been conducted within the last 20 years.

The Matrix Consulting Group worked with the District to analyze the cost of service relationships that exist between fees for service activities associated with plan review, inspections, providing fire reports, and treat no transport EMS services. The results of this Study provide a tool for understanding current service levels, the cost and demand for those services, and what fees for service can and should be charged.

2. GENERAL PROJECT APPROACH AND METHODOLOGY

The methodology employed by the Matrix Consulting Group is a widely accepted “bottom up” approach to cost analysis, where time spent per unit of fee activity is determined for each position within a division. Once time spent for a fee activity is determined, all applicable District costs are then considered in the calculation of the “full” cost of providing each service. The following table provides an overview of types of costs applied in establishing the “full” cost of services provided by the District:

<table>
<thead>
<tr>
<th>Cost Component</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Direct</strong></td>
<td>Fiscal Year 2018/19 Budgeted salaries, benefits and allowable expenditures.</td>
</tr>
<tr>
<td><strong>Indirect</strong></td>
<td>Division and departmental administration / management and clerical support.</td>
</tr>
</tbody>
</table>

Together, the cost components in the table above comprise the calculation of the total “full” cost of providing any particular service, regardless of whether a fee for that service is charged.

The work accomplished by the Matrix Consulting Group in the analysis of the proposed fees for service involved the following steps:
1 **Adopt a Formal Cost Recovery Policy**

The Matrix Consulting Group strongly recommends that the Board adopt a formalized, individual cost recovery policy for each service area included in this Study. Whenever a cost recovery policy is established at less than 100% of the full cost of providing services, a known gap in funding is recognized and may then potentially be recovered through other revenue sources.

In recent years, more local jurisdictions have adopted formal cost recovery policies at a program or service level (e.g. fire sprinkler systems, public education, California Fire Code permits, etc.) The Matrix Consulting Group considers a formalized cost recovery policy for various fees for service an industry Best Management Practice.

2 **Adopt an Annual Fee Update / Increase Mechanism**

The purpose of a comprehensive update is to completely revisit the analytical structure, service level estimates and assumptions applied in the previous study, and to account for any major shifts in cost components or organizational structures. The Matrix Consulting Group believes it is a best management practice to perform a complete update of a Fee Assessment every 3 to 5 years.

In between comprehensive updates, the District could utilize published industry economic factors such as Consumer Price Index (CPI) or other regional factors to update the cost calculations established in the Study on an annual basis. Alternatively, the District could also consider the use of its own anticipated labor cost increases such as step increases, benefit enhancements, or cost of living raises. Utilizing an annual increase mechanism would ensure that the District receives appropriate fee and revenue increases that reflect growth in costs.
The following are two central concepts regarding the establishment of user fees:

- **Fees should be assessed according to the degree of individual or private benefit gained from services.** For example, the processing and approval of a land use or building permit will generally result in monetary gain to the applicant, whereas Police services and Fire Suppression are examples of services that are essential to the safety of the community at large.

- **A profit-making objective should not be included in the assessment of user fees.** In fact, California laws require that the charges for service be in direct proportion to the costs associated with providing those services. Once a charge for service is assessed at a level higher than the actual cost of providing a service, the term “user fee” no longer applies. The charge then becomes a tax subject to voter approval.

Therefore, it is commonly accepted that user fees are established at a level that will recover up to, and not more than, the cost of providing a particular service.

## 2 GENERAL POLICY CONSIDERATIONS REGARDING USER FEES

Undoubtedly, there are programs, circumstances, and services that justify a subsidy from a tax based or alternative revenue source. However, it is essential that jurisdictions prioritize the use of revenue sources for the provision of services based on the continuum of benefit received.

Within the services that are typically funded by user fees, the Matrix Consulting Group recognizes several reasons why District staff or the Board may not advocate the full cost recovery of services. The following factors are key policy considerations in setting fees at less than 100 percent of cost recovery:

- **Limitations posed by an external agency.** The State or an outside agency will occasionally set a maximum, minimum, or limit the jurisdiction’s ability to charge a fee at all. Examples include State Licensed Residential Care facilities, as well as Public Records Requests for charging for time spent copying and retrieving public documents in the District’s Administrative office.

- **Encouragement of desired behaviors.** Keeping fees for certain services below full cost recovery may provide better compliance from the community. For example, if the cost of a permit for over the counter permits for special events are higher than the actual cost of purchasing fireworks, it might discourage residents from pulling permits.
3. User Fee Study Methodology

The Matrix Consulting Group utilizes a cost allocation methodology commonly known and accepted as the “bottom-up” approach to establishing User Fees. The term means that several cost components are calculated for each fee or service. These components then build upon each other to comprise the total cost for providing the service. The components of a full cost calculation are typically as follows:

Table 3: Full Cost Calculation Components

<table>
<thead>
<tr>
<th>Cost Component</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Direct</td>
<td>Salaries, benefits and direct divisional expenditures.</td>
</tr>
<tr>
<td>District Overhead</td>
<td>Division or Departmental administration / management and clerical support.</td>
</tr>
</tbody>
</table>

The general steps utilized by the project team to determine allocations of cost components to a particular fee or service are:

- Calculate fully burdened hourly rates by position, including direct & indirect costs;
- Develop time estimates for each service included in the study;
- Distribute the appropriate amount of the other cost components to each fee or service based on the staff time allocation basis, or another reasonable basis.

The results of these allocations provide detailed documentation for the reasonable estimate of the actual cost of providing each service. The following sections highlight critical points about the use of time estimates and the validity of the analytical model.

TIME ESTIMATES ARE A MEASURE OF SERVICE LEVELS REQUIRED TO PERFORM A PARTICULAR SERVICE

One of the key study assumptions utilized in the “bottom up” approach is the use of time estimates for the provision of each fee related service. Utilization of time estimates is a reasonable and defensible approach, especially since experienced staff members who understand service levels and processes unique to the District developed these estimates.

The project team worked closely with District staff in developing time estimates with the following criteria:

- Estimates are representative of average times for providing services. Estimates for extremely difficult or abnormally simple projects are not factored into this analysis.
4. Fee Study Results

The motivation behind a cost of services (User Fee) analysis is for the Board and District staff to maintain services at a level that is both accepted and effective for the community, and also to maintain control over the policy and management of these services.

It should be noted that the results presented in this report are not a precise measurement. In general, a cost of service analysis takes a “snapshot in time”, where a fiscal year of adopted budgeted cost information along with the use of time estimates is used to calculate the full cost information. Changes to the structure of fee names, along with the use of time estimates allow only for a reasonable projection of subsidies and revenue. Consequently, the Board and District staff should rely conservatively upon these estimates to gauge the impact of implementation going forward.

The Prevention section of the fee schedule covers plan reviews, inspections, and providing fire reports. The following subsections discuss the following items:

- **Modifications or Issues**: discussions regarding any revisions to the current fee schedule, including elimination or addition of fees.
- **"Per Unit" Results**: comparison of the full cost of providing each unit of service to the current fee for each unit of service (where applicable).
- **Jurisdictional Comparison**: a brief comparison of current permits and services with other local jurisdictions.

The full analytical results associated with each fee section evaluated were provided to District staff under separate cover from this summary report.

1 FEE SCHEDULE MODIFICATIONS

In discussions with the Fire Prevention staff there were only minor modifications to fees to include multiple classifications. The following table shows the current fee schedule and the proposed fee schedule.

As the graph indicates the District’s current and full cost are well below the average charged by other Fire Protection Districts ($245). Diamond Springs and Moraga Orinda have the highest fees, while remaining jurisdictions are around $143 for these services. El Dorado County and Jackson charge hourly for these services.

2 Fire Sprinkler System – New Commercial

The District is currently charging a fee based on per floor and riser with a base and then each additional head at approximately $298 with $1 per head. The project team calculated the full cost to be $344 and $1 per head. The project team compared the District’s current and full cost fee to other comparative jurisdictions.
The District’s current fee and calculated full cost are just below the average ($211) seen in comparable jurisdictions. Diamond springs, Jackson, San Ramon, and South Placer are all above the average, with lone having the lowest fee of $45. Diamond Springs, and Jackson assess these services based on an hourly rate.

5 First Responder Fee (Treat No Transport / Dry Run) – Per Response

As part of this study, the District wanted to evaluate a First Responder Fee, which the project team calculated at approximately $226. The project team compared the District’s full cost fee to other comparative jurisdictions.
5. Conclusion

The Amador Fire Protection District engaged the Matrix Consulting Group to determine the total cost of services provided to its citizens and businesses for fee related services. To calculate the total cost of each service, the Matrix Consulting Group employed both a widely accepted and defensible methodology, as well as the experience and input of District staff to complete the necessary data collection and discussion to complete the analysis. District staff and the Board can now use this information to make informed decisions and set its fees to meet the fiscal and policy goal objectives of the District.

The project team recommends for fees that show an under-recovery, the District should review all circumstances and policy factors and raise fees where feasible. For fees that the District chooses to subsidize, policies should be established to outline target recovery percentages.

Agenda Title: RE-ALIGNMENT OF CURRENT AMADOR FIRE RESPONSE AREAS

Summary: In desire to remain consistent with the Amador County Mutual Aid Agreement. Whereas, each party maintains as part of its services an organized and equipped fire department charged with the duty of fire protection services within its jurisdiction limits; and Whereas, the use of closest resource dispatching of fire service equipment without regard to jurisdiction or statutory responsibility is in the best interest of the citizens to insure orderly and coordinated use of all resources. Amador Fire response will change significantly in the following manner:

Amador Fire response will change significantly in the following manner:

Station 116 response areas will be expanded to include all AFPD jurisdictional areas to the east which boarder 114’s response area, Highway 88 to Jackson City boundaries and Highway 49 from the City of Jackson boundaries to the Calaveras County line. These response area updates also includes rural areas of unincorporated Amador County within our AHJ on the south and east side of the County. - Jackson Valley Protection District - ACTC GIS, acquired from GIS Coordinator Cindy Engel April 5, 2019
- Fire Districts, Roads, Waterbody - Amador County GIS, January, 2011

The Fire Department layer is modified from original data acquired from Amador County GIS and prepared for Amador Fire Protection District using current data obtained from Amador County Transportation Commission GIS (for Amador County LAFCO). These data include city limits, parcel data and an updated Jackson Valley Fire Protection District Boundary.

*Lockwood Fire Protection District Boundary is pending review and subject to minor adjustments.

**Sutter Creek Fire Protection District is pending review by Amador County LAFCO and subject to adjustment.

Boundaries derived from City Limits layer are pending final state review from the State Board of Equalization.

Parcel layer attribution for Fire District is under review by ACTC GIS and is not complete. Review by Amador County LAFCO is not complete.

Agenda Title: Authorization to Purchase Cal-OES Type 1 HME Fire Engine

Summary: (Provide detailed summary of the purpose of this item; attach additional page if necessary)
Discussion and possible action relative to the purchase of a 2003 Type 1 fire engine with from the CA Office of Emergency Services.

This engine has only 37,000 miles on it and comes equipped with all items listed on the attached documentation. It would be the Districts plan to put Engine 5221 the first out at the Plymouth station into reserves and use this engine as a first out for the next 5 to 10 years. The cost of this engine is $40,000 and will have an associated cost of approximately $15,000 to do a full wrap and possible paint and minor modifications to be consistent with District specifications.

The current fiscal year budget has $70,000 in fixed assets for extrication equipment as a match to a grant that was not received. We would like Board approval to use the funds not to exceed $55,000 to purchase this engine from Cal OES and complete the wrap.

Recommendation/Requested Action:
Motion to authorize Fire Chief White to purchase a Cal OES SAFER Act fire engine and make modifications not to exceed $55,000

ATTEST: ________________________________

AFPD Board Clerk
MEMORANDUM

To : Honorable Board of Directors
From : Walter White, Fire Chief
Date : June 18, 2019

SUBJECT : Request for Approval of Agreement with Wittman Enterprise LLC

With the approval of the Amador Fire Protection District First Responder Fee on the Board Meeting of May 21, 2019, the District solicited quotes for services from the following vendors for professional billing services.

Wittman Enterprise LLC – Provided a quote of $12.50 per incident billed.

Fire Recovery USA – Provided a quote of $25.00 per incident billed.

Intermedix Corporation - They were non responsive and did not provide a quote.

The District is seeking approval to sign an agreement with Wittman Enterprise LLC for professional billing services of the Amador Fire Protection District First Responder Fees.

Other than providing the best valued quote, Wittman has a great deal of experience with medical insurance companies. They have a large medical insurance database. Wittman works with American Legion Ambulance, which will increase likelihood of receiving funds. Working with Wittman can also decrease the amount of paperwork and phone calls our patients would receive.

The Wittman offices are located only 41 miles away from District Headquarters which allows us the opportunity to work face to face for trainings and meetings as needed.

REQUESTED ACTION
Approve as Presented.
BEFORE THE BOARD OF DIRECTORS OF THE
AMADOR FIRE PROTECTION DISTRICT
COUNTY OF AMADOR, STATE OF CALIFORNIA

IN THE MATTER OF:

RESOLUTION APPROVING
AGREEMENT FOR PROFESSIONAL
FIRST RESPONDER FEE BILLING
SERVICES WITH WITTMAN ENTERPRISE LLC

BE IT RESOLVED by the Board of Directors of the Amador Fire Protection District, that said Board does hereby approve the agreement by and between the Amador Fire Protection District and Wittman Enterprises LLC, on the terms and conditions contained therein as it relates to providing professional first responder billing services.

BE IT FURTHER RESOLVED that the Fire Chief of the Amador Fire Protection District be and hereby is authorized to sign and execute said agreement on behalf of the Amador Fire Protection District.

The foregoing resolution was duly passed and adopted by the Board of Directors of the Amador Fire Protection District at a regular meeting thereof, held on the 18th day of June, 2019 by the following vote:

AGREEMENT FOR PROFESSIONAL FIRST RESPONDER BILLING SERVICES
BETWEEN AMADOR FIRE PROTECTION DISTRICT
AND WITTMAN ENTERPRISES, LLC

This Agreement made and entered into this first day July, 2019, by and between Amador Fire Protection District, hereinafter referred to as “PROVIDER,” and Wittman Enterprises, LLC, hereinafter referred to as “W.E.”

RECITALS

WHEREAS, PROVIDER desires to use the first responder billing service offered by W.E. an independent contractor, as its agent for the purpose of performing the services described in SECTION 2. SCOPE OF SERVICES.

WHEREAS, concurrently with entering into this Agreement that parties are also entering into the HIPAA Business Associate Agreement (“HIPAA Agreement”), attached hereto and incorporated by this reference as though fully set forth herein; and

WHEREAS, this Agreement is the “UNDERLYING Agreement” as defined by and reference in the HIPAA Agreement.

WITNESSETH: That the parties hereto have mutually covenanted and agreed, and by these presents do covenant and agree with each other as follows:

1. TERM: This Agreement shall commence on the date it is executed by W.E. and PROVIDER and it shall continue in full force unless terminated by either party, giving ninety (90) days advance written notice to the other party.

2. SCOPE OF SERVICES: W.E. will perform services as set forth detailed in this section. PROVIDER understands, agrees to, and accepts that W.E. has no responsibility or obligation for determining the accuracy of any claims made to governmental agencies, and that W.E. relies on PROVIDER for making any such claims on documentation. All services provided pursuant to this Agreement shall also be subject to the terms and conditions of the HIPAA Agreement. To the extent there is any conflict between the provisions of this Agreement and the provisions of the HIPAA Agreement, the HIPAA Agreement will control, as set forth in Section 5.3 of the HIPAA Agreement.

2.1 Private Insurance Billing for First Response Calls
W.E. to prepare all insurance-request mailings. Correspondence to patients will be on 8 x 11 requests for insurance and will be placed in envelopes, sealed and mailed, postage prepaid. Initial mailing occurs within four (4) days of receipt of first responder tickets. The Patient may also have the option to receive information electronically. A toll free 800-like telephone number will be provided to patients. An initial telephone call will also be made at this time to elicit any insurance information from the patient or patient’s family. If they receive no answer on this call, W.E will proceed with one additional insurance information request and phone call attempt with the patient. The standard schedule is as follows:

page 1 of 10
Private Insurance Schedule (Option 1)
1. Request for information letter  Immediately
2. Phone Call to patient  15 days
3. Request for information letter  30 days

Private Insurance Schedule (Option 2)
1. Request for information letter  Immediately
2. Phone Call to patient  15 days
3. Request for information letter  30 days
4. Request for information letter  45 days
5. Request for information letter  60 days

2.2 Receipts Processing
W.E. will accept payments in the form of cash, check, money order, cashier’s check or credit card. All cash receipts will be deposited and posted within one (1) day of receipt of funds. All funds will be deposited into a PROVIDER-designated bank account. Bank deposit receipts will be sent electronically to PROVIDER. W.E. shall have no access to the proceeds of the receipts. All funds are under the exclusive control of PROVIDER.

All credit card fees incurred through payment processing will be the responsibility of the PROVIDER. A credit card processor/merchant account will be designated and set up by PROVIDER.

2.3 Refunds: W.E. will research and verify all overpayments. If a refund is required, W.E. will submit electronically all supporting documentation to PROVIDER upon completion of research. PROVIDER will issue payment directly to specified party and will send an electronic copy to W.E., to be posted to the Patients account within 24 hours.

2.4 Reports
Monthly, W.E. will perform accurate month end close procedures that will result, as a minimum, in the following reports:

- Monthly Ticket Survey
- Monthly Sales Journal
- Monthly Cash Receipts Journal
- Monthly Receivables Aging
- Management A/R Analysis
- Statistical Reports customized to client needs

Such reports will be available to PROVIDER on the 15th day of the month following the date of service, or ten (10) business days after the final submission of patient care records from the previous month.
2.5 Source Documents
W.E. will retain in electronic format all source documents including attachments for six (6) years from the date of the reported incident. When service contracted is terminated, all source documents are returned to PROVIDER in an electronic format at PROVIDER’s expense.

3. COMPENSATION AND PAYMENT: W.E. will provide the billing services as stated for a fee as outlined in 3.1. W.E. will invoice Provider at the end of each month. Invoices are payable upon receipt and shall be deemed late if not received by W.E. within thirty (30) calendar days of the invoice date.

3.1 Fees
A. Option 1 (from Section 2.1) $12.50 per processed incident

OR

B. Option 2 (from Section 2.1) $15.00 per processed incident

4. FINANCE CHARGE: W.E invoices unpaid by more than forty-five (45) days are subject to a monthly interest charge of 1 1/2% unless in dispute.

5. AGENCY RELATIONSHIP: W.E. is an independent billing service contractor and PROVIDER specifically designates W.E. as its agent for the purpose of performing the services described in Section 11 of this Agreement. W.E. and PROVIDER agree that the intermediaries for Medicare and Medicaid may accept claims prepared and submitted by W.E. on behalf of PROVIDER only so long as this Agreement remains in effect.

5.1 Liaison: PROVIDER shall assign a liaison for conference and communication of any matters subject to the services provided by the contract.

5.2 Coordination of Services: The W.E. and PROVIDER mutually agree that person(s) who have knowledge of this agreement and the legal capacity to comply with this agreement shall be available for conference at all regular business hours. Each party agrees that during a time that this agreement is in effect, the responsible contact person(s) will be available at all regular business hours for communication or other matters of this agreement. The current contact information as of the signing of this agreement is:

5.3 **Training:** W.E. will provide annual revenue enhancement training for EMS and financial staff. This includes four (4) hours of teleconference, webinar or Skype/ZOOM-facilitated training for PROVIDER general staff and six (6) hours for EMS management. Additional training as requested by PROVIDER at a contract rate of $85.00 per instructional hour. Additional onsite training as requested by PROVIDER at a contract rate of $100.00 per hour plus travel expenses.

6. **PERFORMANCE MONITORING:** W.E. agrees to allow PROVIDER, or any agent or Consultant as they deem so qualified, to monitor audit, review, examine, or study the methods, procedures and results of the billing and collection methods used, at the PROVIDER’S expense.

7. **COMPLYING WITH THE LAW:** W.E. shall adhere to all applicable state and federal laws and regulations in effect during the term of this Agreement.

8. **INSURANCE:** W.E. will maintain in force throughout the term of this Agreement the following insurance:
   - A) General Liability Insurance, 3,000,000 aggregate,
   - B) Professional Liability Insurance, 1,000,000
   - C) Workers Compensation Insurance, 1,000,000.

9. **INDEMNIFICATION AND HOLD HARMLESS:** W.E. hereby agrees to indemnify, defend, and save harmless PROVIDER, its officers and employees from all liability, including any claim of liability and any losses or costs (including reasonable attorneys’ fees) arising out of the negligent or intentional act, recklessness or gross negligence of W.E. its officers, or employees.

   PROVIDER agrees to defend, indemnify and hold W.E. and its officers, and employees harmless from and against any and all claim, actions, damages, expenses (including reasonable attorney’s fees), losses or liabilities incurred by or asserted against W.E. its officer or employees as a result of this Agreement; provided, however, that such duty to defend, indemnify and hold harmless shall not apply to any claim or liability to the extent caused by the negligent or intentional act, recklessness or gross negligence of W.E. its officers, or employees.

10. **W.E. LIMITED LIABILITY:** W.E. shall use due care in processing the claims of the PROVIDER, but W.E. will be responsible only to the extent of correcting any errors which occur within W.E.'s reasonable control; such errors will be corrected at no additional charge to PROVIDER. This liability of W.E. with respect to this Paragraph shall in any event be limited to the total compensation for the services provided under this Agreement and shall not include any contingent liability, regardless of the form of action.

11. **W.E. SERVICES AND RESPONSIBILITIES:** W.E. shall perform the following services for PROVIDER.
   - (a) screen, prepare, and submit claims to any and all payors including but not necessarily limited insurance carriers, and any other source of pay for first responder incidents.
   - (b) track and trace all claims submitted,
   - (c) resubmit or otherwise resolve denied or disallowed claims,
   - (d) retain all source documents for 72 months,
(e) provide adequate precautions to protect confidentiality of patient records in accordance with applicable state and federal law.

(f) timely submit claims, predicated upon normal working conditions and subject to adjustment at any time in the event of any cause or causes beyond the control of W.E.

(g) conduct all contact and correspondence with beneficiaries or responsible parties.

12. PROVIDER RESPONSIBILITIES: Provider shall have the following responsibilities to W.E.

(a) Provide W.E. with the proper documentation necessary to prepare claims and reach final adjudication,

(b) Provide W.E. with any correspondence from the fiscal intermediaries, insurance, attorneys, patients in order for W.E. to perform proper follow up of outstanding billings and proper posting and tracking of accounts receivable.

13. DISPUTES: Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration rules and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Civil Code of Procedure 1283.05 is incorporated into the discovery provisions of CCP §1283 in all issues arising out of or relating to this Agreement, or the breach thereof.

14. EXCUSE OF NON-PERFORMANCE: Neither party shall be liable for damages to the other party for failure of performance under the terms of this Agreement in the event that party's performance is prevented or made unreasonably difficult or costly by any labor dispute beyond control of the party, war, governmental action, looting, vandalism, earthquake, fire, flood, or any other natural occurrence.

15. DISENGAGEMENT AGREEMENT: Upon termination of the contract, W.E. will continue to perform billing services to the date agreed upon as the termination date. W.E. will return to PROVIDER all previously retained source documents, along with a full accounting of outstanding accounts receivable in an electronic format at the PROVIDER’s expense.

16. NOTICE: Any notice given hereunder shall be deemed served immediately if hand-delivered in writing to an officer or other duly appointed representative of the Party to whom the notice is directed, or if transmitted by electronic format to the email address contained in this Agreement or listed below. Notices shall also be deemed served five business days after transmittal by registered, certified, express, or regular mail or by Federal Express to the business address identified in this Agreement.

Business Associate Agreement

Between Wittman Enterprises, LLC and Amador Fire Protection District

This Business Associate Agreement (“Agreement”) between Amador Fire Protection District (Covered Entity) and Wittman Enterprises, LLC (Business Associate) is executed to ensure that Wittman Enterprises, LLC will appropriately safeguard protected health information (“PHI”) that is created, received, maintained, or transmitted on behalf of Amador Fire Protection District in compliance with the applicable provisions of Public Law 104-191 of August 21, 1996, known as the Health Insurance Portability and Accountability Act of 1996, Subtitle F – Administrative Simplification, Sections 261, et seq., as amended ("HIPAA"), and with Public Law 111-5 of February 17, 2009, known as the American Recovery and Reinvestment Act of 2009, Title XII, Subtitle D – Privacy, Sections 13400, et seq., the Health Information Technology and Clinical Health Act, as amended (the “HITECH Act”).

A. General Provisions
1. **Meaning of Terms.** The terms used in this Agreement shall have the same meaning as those terms defined in HIPAA.

2. **Regulatory References.** Any reference in this Agreement to a regulatory section means the section currently in effect or as amended.

3. **Interpretation.** Any ambiguity in this Agreement shall be interpreted to permit compliance with HIPAA.

B. **Obligations of Business Associate**
Wittman Enterprises, LLC agrees that it will:
1. **Not use or further disclose PHI other than as permitted or required by this Agreement or as required by law;**

2. **Use appropriate safeguards and comply, where applicable, with the HIPAA Security Rule with respect to electronic protected health information (“e-PHI”) and implement appropriate physical, technical and administrative safeguards to prevent use or disclosure of PHI other than as provided for by this Agreement;**

3. **Report to Amador Fire Protection District any use or disclosure of PHI not provided for by this Agreement of which it becomes aware, including any security incident (as defined in the HIPAA Security Rule) and any breaches of unsecured PHI as required by 45 CFR §164.410. Breaches of unsecured PHI shall be reported to Amador Fire Protection District without unreasonable delay but in no case later than 60 days after discovery of the breach;**
4. In accordance with 45 CFR 164.502(e)(1)(ii) and 164.308(b)(2), ensure that any subcontractors that create, receive, maintain, or transmit PHI on behalf of Wittman Enterprises, LLC agree to the same restrictions, conditions, and requirements that apply to Wittman Enterprises, LLC with respect to such information;

5. Make PHI in a designated record set available to the Amador Fire Protection District and to an individual who has a right of access in a manner that satisfies the Amador Fire Protection District’s obligations to provide access to PHI in accordance with 45 CFR §164.524 within 30 days of a request;

6. Make any amendment(s) to PHI in a designated record set as directed by Amador Fire Protection District, or take other measures necessary to satisfy the Department’s obligations under 45 CFR §164.526;

7. Maintain and make available information required to provide an accounting of disclosures to Amador Fire Protection District or an individual who has a right to an accounting within 60 days and as necessary to satisfy the department’s obligations under 45 CFR §164.528;

8. To the extent that Wittman Enterprises, LLC is to carry out any of the Amador Fire Protection District’s obligations under the HIPAA Privacy Rule, Wittman Enterprises, LLC shall comply with the requirements of the Privacy Rule that apply to the department when it carries out that obligation;

9. Make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Wittman Enterprises, LLC on behalf of the Amador Fire Protection District, available to the Secretary of the Department of Health and Human Services for purposes of determining Wittman Enterprises, LLC and the department’s compliance with HIPAA and the HITECH Act;

10. Restrict the use or disclosure of PHI if Amador Fire Protection District notifies Wittman Enterprises, LLC of any restriction on the use or disclosure of PHI that the Department has agreed to or is required to abide by under 45 CFR §164.522; and

11. If Amador Fire Protection District is subject to the Red Flags Rule (found at 16 CFR §681.1 et seq.), Wittman Enterprises, LLC agrees to assist the Department in complying with its Red Flags Rule obligations by: (a) implementing policies and procedures to detect relevant Red Flags (as defined under 16 C.F.R. §681.2); (b) taking all steps necessary to comply with the policies and procedures of the Department’s Identity Theft Prevention Program; (c) ensuring that any agent or third party who performs services on its behalf in connection with covered accounts of the Amador Fire Protection District agrees to implement reasonable policies and procedures designed to detect, prevent, and mitigate the risk of identity theft; and (d) alerting the Department of any Red Flag incident (as defined by the Red Flag Rules) of which it becomes aware, the steps it has taken to mitigate any potential harm that
may have occurred, and provide a report to Amador Fire Protection District of any threat of identity theft as a result of the incident.

C. **Permitted Uses and Disclosures by Business Associate**

The specific uses and disclosures of PHI that may be made by Wittman Enterprises, LLC on behalf of the Amador Fire Protection District include:

1. The preparation of invoices to patients, carriers, insurers and others responsible for payment or reimbursement of the services provided by the Amador Fire Protection District to its patients;

2. Preparation of reminder notices and documents pertaining to collections of overdue accounts;

3. The submission of supporting documentation to carriers, insurers and other payers to substantiate the healthcare services provided by the Department to its patients or to appeal denials of payment for the same; and

4. Other uses or disclosures of PHI as permitted by HIPAA necessary to perform the services that Wittman Enterprises, LLC has been engaged to perform on behalf of Amador Fire Protection District.

D. **Termination**

1. The Amador Fire Protection District may terminate this Agreement if the Department determines that Wittman Enterprises, LLC has violated a material term of the Agreement.

2. If either party knows of a pattern of activity or practice of the other party that constitutes a material breach or violation of the other party’s obligations under this Agreement, that party shall take reasonable steps to cure the breach or end the violation, as applicable, and, if such steps are unsuccessful, terminate the Agreement if feasible.

3. Upon termination of this Agreement for any reason, Wittman Enterprises, LLC shall return to Amador Fire Protection District or destroy all PHI received from the Department, or created, maintained, or received by Wittman Enterprises, LLC on behalf of Amador Fire Protection District that Wittman Enterprises, LLC still maintains in any form. Wittman Enterprises, LLC shall retain no copies of the PHI. If return or destruction is infeasible, the protections of this Agreement will extend to such PHI.

District Notes for Budget Unit: 8550 Amador Fire Protection District General Budget

Please provide comments in the space provided below. You may also attach additional documentation. If additional documentation is provided, please ensure to put Budget Name and Unit number at the top. Thank you.

**Expenses:**

Please note that many of the expense line items in the 8550 budget have increased. This is due to removing paid staff training, uniforms, and professional services from the Measure M 8588 budget to ensure compliance with the ballot language of Measure M.

Historically we have done a budget transfer for the salary of the Fire Chief from 8550-52800 to the Measure M Budget. Moving forward the Fire Chief will be paid out of the General 8550 budget with Prevention and Admin Staff. This will alleviate complicated journals and staff time for the Auditor's Office.

**Revenue:**

Revenues for the 8550 General budget remain relatively level compared to years past. We have applied for two FEMA Assistance to Firefighters Grants for radio equipment and a prevention trailer. They both have a 5% cost share which is incorporated into the budget.

**Fixed Assets:**

For Capital Improvements, we have budgeted to install the new required septic system at Station 111 in Pioneer on the property purchased in 2018. We will also need to replace the roof on the apparatus garage at Station 111 as we do not feel that it will sustain another winter.

For Fixed Assets we have budgeted $40,000 for a new Type 1 OES Engine that we have the opportunity to purchase from Cal OES. This engine is in great condition, has low mileage, and comes fully stocked with necessary equipment.

**Other Comments:**

We have worked with County CAO Chuck Iley, and the County will take over the administration of the dispatching contract with Cal-Fire, and will no longer transfer 172 monies in the amount of $260,368 to the 8550 budget.

District Notes for Budget Unit: 8588 Amador Fire Protection District Measure M

Please provide comments in the space provided below. You may also attach additional documentation. If additional documentation is provided, please ensure to put Budget Name and Unit number at the top. Thank you.

Expenses:

We have changed both the structure and budgeting philosophy of the 8588 budget beginning this fiscal year. Salaries no longer indicate funding from potential strike team deployments as they are not guaranteed, and there is no way to properly guess how many deployments may arise during the year. The salaries do include a 4% increase in wages to keep us on track to be able to comply with the January 2022 increase to $15.00/hour, as well as the mandated 2% increase as agreed upon in the current MOU.

Many of the individual line items have decreased or increased due to budgeting for our full liabilities, and movement of items into the General 8550 budget to comply with the Ballot Language set forth for Measure M.

Revenue:

Revenues have remained relatively flat with the exceptions of Miscellaneous due to not budgeting for potential strike team deployments, and a new SAFER Grant that we have applied for which if awarded would allow us to move forward with our first steps towards an Advance Life Support program as approved in our 5 year strategic plan.
