Agenda Title: Request to increase Administrative Assistant Position from 24 hours/week to full time 40 hours/week

Summary: (Provide detailed summary of the purpose of this item; attach additional page if necessary)

We are requesting to increase our Administrative Assistant position from 24 hours a week to a full time position of 40 hours a week. Please refer to the attached memo for full justification.

Current Budget Status

Our current budget estimates show that we anticipate a remainder of $14,223.00 at the end of the fiscal year. The impact to the budget if approved for the remainder of this fiscal year would be $13,851.00. The current approved budget can accommodate these changes with no budget adjustments needed. These figures take into consideration; overtime, proposed raises, step increases, and the potential for a full time Deputy Fire Marshal replacing our current part time Deputy Fire Marshals with a three-month training overlap.

Re : Organization of District Office Administrative Staff

Below is an explanation as to why we are requesting to increase our Administrative Assistant position from 24 hours a week to a full time position of 40 hours a week.

A continuing trend over the last year is that the District is experiencing growth and an increased administrative workload. This last year has shown the pains of this growth and the need for increased administrative services including:

- Better engagement with the volunteer program
- Better communication throughout the District
- The ability to have the office open 5 days a week
- Greater community outreach and public education
- Updated legally compliant policies, greater transparency
- More detailed budget oversight
- Additional administrative assistance for Prevention and Inspections.

Areas of improvement with time currently allowed:

- Creation of a District Wide email group to ensure all inclusive communications.
- Creation of a tracking system for annual business inspections.
- Changing the pay schedule for volunteer staff in regards to strike teams.
- Utilizing Lexipol for policy update and management.
- Creating a District Events calendar visible to all staff.
- Creating a protocol for attending public events for organization, and continuity in coverage.

Areas of improvement with proposed additional hours:

- Having the District Office open Monday through Friday.
- Improved community outreach and public education.
- Improved transparency on our website and social media.
- The ability to provide administrative support to AFPA if needed.
- Reorganization of duties allowing Fiscal Officer to improve budget oversight and grant administration.
The District anticipates more growth and we want to be proactive. To have the administrative infrastructure in place will aide our personnel to fulfill their duty to public safety and fire prevention awareness.

With the additional hours of the administrative staff we plan to have the following distribution of duties:

**Fiscal Officer (40hrs/wk: Tuesday – Friday 6:30am to 5:00pm)**

- Human Resources
  - Create and post job announcements
  - Schedule interviews and orientations
  - Process in new hires
    - Work with background investigators

Current Budget Status
Our current budget estimates show that we anticipate a remainder of $14,223.00 at the end of the fiscal year. The impact to the budget if approved for the remainder of this fiscal year would be $13,851.00. The current approved budget can accommodate these changes with no budget adjustments needed. These figures take into consideration; overtime, proposed raises, step increases, and the potential for a full time Deputy Fire Marshal replacing our current part time Deputy Fire Marshals with a three-month training overlap.
