AFPD Board Clerk
AGREEMENT TO PROVIDE FUNDING FOR FIRE PROTECTION AND INSPECTION SERVICES

THIS AGREEMENT TO PROVIDE FUNDING FOR FIRE PROTECTION AND INSPECTION SERVICES ("Agreement") is made effective July 1, 2020 ("Effective Date"), the date of actual signature by the parties notwithstanding, by and between the AMADOR FIRE PROTECTION DISTRICT ("AFPD") a California fire protection district, and the JACKSON RANCHERIA BAND OF INDIANS, a federally recognized Indian tribe ("TRIBE"). The TRIBE and AFPD are referred to hereinafter collectively as "Parties" and individually as "Party".

RECITALS

A. The TRIBE desires to provide funding assistance to AFPD for certain fire prevention related services including:
   (i) fire protection, prevention and suppression;
   (ii) inspection and maintenance of fire extinguishers at various locations on Tribal properties designated by the Tribe;
   (iii) inspections of the TRIBE’S various properties to insure compliance with applicable fire codes;
   (iv) assistance to the TRIBE in selecting an appropriate and duly qualified vendor for the repair and maintenance of fire extinguishers; and
   (v) reporting to the TRIBE any deficiencies in the work of the vendor providing fire extinguisher repair or maintenance Services to the Tribe.
   (vi) maintenance and repair of fire suppression equipment;
   (vii) payment for AFPD personnel required to provide wild land and structural fire protection, rescue, first aid, and other emergency response service;
   (viii) annual off road trail enhancement on the TRIBE’S reservation including necessary equipment, supplies and crew for the removal of overgrown brush impeding travel by off-road fire vehicles; and
   (ix) initial emergency medical incident response for the customers and employees of the TRIBE at the Jackson Rancheria Casino and on the TRIBE’S reservation.

Collectively the forgoing are hereinafter called "Services".

B. The Parties acknowledge that AFPD has the expertise, special skills, knowledge and experience required to perform the Services which are vital and necessary for the safety and benefit of the TRIBE and Amador County.

C. The Parties acknowledge that the Services AFPD provides unrelated to fire protection, prevention and suppression, such as medical calls, account for a larger percentage of time spent by the non-administrative personnel of AFPD.

D. The TRIBE, on Tribal land, has erected a complete fire station ("Tribal Fire Station") which includes a garage and bays for the housing and servicing of trucks and equipment, administrative officers, training room, living quarters for firefighters, exercise facility and other improvements.
E. The Parties acknowledge that the Tribal Fire station is in a geographic location that is beneficial for the services provided by AFPD.

F. TRIBE agrees to provide funding and other assistance to AFPD for its Services.

NOW THEREFORE, in consideration of the mutual promises and undertakings hereinafter set forth, the adequacy and sufficiency of which as consideration is acknowledged by both Parties, AFPD and the TRIBE agree as follows:

1. Scope of Services.

1.1 AFPD agrees to provide Services to Amador County inclusive of those needed on TRIBAL land to the extent and in the manner set forth in this Agreement.

1.2 The TRIBE shall provide to AFPD the full use and occupancy of the Tribal Fire Station located in the TRIBE'S Public Safety Building, which includes appropriate living quarters for male and female employees of AFPD and facility maintenance and access and use of the medical room located on the first floor of the casino and onsite use of current medical supplies and equipment located within the medical room for Casino and Tribal related calls only. AFPD will maintain medical supplies and all equipment located in the medical room. The TRIBE agrees to reimburse AFPD for medical equipment and supplies required to be stocked within the medical room.

1.3 The cost of maintaining, operating, and replacing any and all property and equipment, real or personal, furnished by the Parties hereto for fire protection purposes or emergency incident response, shall be borne by the Party owning or furnishing such property or equipment, unless otherwise specifically provided herein or by separate written agreement. A separate agreement shall be entered into between the Parties with respect to the transfer of personal property from the TRIBE to AFPD, which transfer will be at “no cost” to AFPD.

1.3.1 If AFPD determines that specific maintenance or repairs on the Fire Station or living quarters for firefighters is required, it shall promptly notify the TRIBE'S chief executive officer of the scope of repair work required. If such repairs or maintenance are necessitated as a result of negligent or intentional acts or omissions by AFPD personnel, the cost thereof shall be the sole responsibility of the AFPD and not the TRIBE. AFPD shall not initiate or cause any repairs or specific maintenance to be made without the prior written consent of the TRIBE. Repairs and specific maintenance not necessitated by the actions or inactions of AFPD or persons under its control shall be made by the TRIBE at its sole expense and in a timely manner.

1.3.2 The TRIBE agrees to pay all reasonable and documented maintenance and fuel expenses not exceeding the actual costs thereof for apparatus and equipment specifically assigned to the Tribal Fire Station.
2. Term: Annual Adjustment of Services and Service Costs.

2.1 The term of this agreement shall be (3) three years from the Effective Date unless otherwise terminated by the parties as hereinafter provided.

2.2 Annually, and no later than February 1 of each year, AFPD shall submit to the TRIBE a revised annual budget and cost schedule for AFPD’S Services for the coming year. If the TRIBE does not agree to the revised budget or cost schedule on or before March 1 of each year, then this Agreement shall automatically terminate, subject to a “wind down period” not to exceed 120 days. Upon termination AFPD shall act expeditiously to wind down its use of the TRIBE’S facilities unless otherwise mutually agreed by the parties.

2.3 The revised budget and cost schedule, if approved by the TRIBE, shall be automatically incorporated into this Agreement as a revised EXHIBIT A and EXHIBIT B respectively.

2.4 During the Wind-Down Period, AFPD shall continue to provide the Services and the TRIBE shall be obligated to compensate AFPD for the Services that are provided according to the previously accepted budget and cost schedule. After conclusion of the Wind-Down Period, AFPD shall vacate the Tribal Fire Station; and the TRIBE shall have no further payment obligations to the AFPD.

2.5 Either party may terminate this Agreement with or without cause upon one hundred twenty (120) days advance written notice to the other party. However, if either party is in material breach of one or more of its obligations under this Agreement, the non-breaching party may terminate this agreement upon sixty (60) days written notice to the breaching party. Upon good cause shown, the term of wind down may be extended by mutual agreement of the parties for additional time to complete wind down.

2.6 In the case of any such early termination as provided by this Paragraph 2, AFPD shall be paid for all Services it has rendered up to the effective date of termination provided AFPD is not found to be in breach of its obligations hereunder.

3. Payment for Services.

3.1 AFPD shall prepare and submit a monthly invoice (in a form and content approved by the TRIBE) on or before the 10th day of each month. Each invoice shall identify the line item Services provided, consistent with the current budget (EXHIBIT A) and the current cost schedule (EXHIBIT B) which are attached hereto and
incorporated by reference, any reimbursable costs incurred for the prior month, and the amount due therefore. Invoices shall be sent to:
Jackson Band of Miwuk Indians
Tribal Accounting Office
12222 New York Ranch Road
Jackson, CA 95642

3.2 No backfill or overtime coverage above that required to maintain minimum staffing levels of two per engine and a battalion chief, for a total of five personnel per day will be arranged by AFPD unless authorized in advance by the TRIBE.

3.3 The TRIBE shall pay to AFPD the amount identified in each invoice within 30 days of the date the invoice is received by the TRIBE provided that AFPD is not in breach of its obligations under this Agreement and further provided that the line item and costs for which payment is requested do not exceed the then current budgeted amounts.

3.4 If any line item in the budget may be exceeded, AFPD shall notify the TRIBE and request a budget amendment. The TRIBE shall review any budget adjustment and grant or deny the same in its sole discretion.

3.5 The Parties acknowledge that the Tribal Fire Station, inclusive of maintenance, utilities, and location is of significant value and excepting Specific Tribal Response is a value equal to the Services being provided by AFPD to the TRIBE.

4. Supervision and Control of Personnel.

4.1 AFPD shall have the exclusive authority to determine the standards of performance, the discipline of paid personnel, and other matters incident to the performance of their obligations under this Agreement. The TRIBE may at any time report to AFPD its concerns about the manner in which any of the personnel perform services pursuant to this Agreement. AFPD shall investigate those concerns and take whatever action it deems appropriate.

4.2 AFPD personnel performing Services pursuant to this Agreement dispatched by the Emergency Command Center to emergency or non-emergency incidents shall respond as an AFPD resource and operations shall be conducted under the Incident Command System. With respect to general station, community, and/or prevention needs, AFPD's Battalion Chief(s) or Fire Chief shall have the exclusive authority to direct firefighters with respect to the rendition of such services.

behalf of the Tribe.

if its own programs of insurance or self-insurance at all times during the performance of
any activities done under the terms of this Agreement. The insurance of AFPD shall be

and appointed officers and officials, members, employees, consultants, agents and
attorneys.
